

**Bottle Menu – September 2022
Standard & Oak Cask Ranges**

All of our ciders and perries are limited edition batches reflective of the season they were pressed, and the length of time they have matured in the bottle. Mixed cases are available on request. All cases are approximate.

Oak Cask Fermented Ciders in 50CL All bottle conditioned	Description Cases of 12x50CL bottles From least to most tannic!	ABV	Cases available
Somerset Redstreak Single Variety Dry Cider	Classic soft, fruity Somerset Redstreak. The cider is smooth and light, with some vanilla and butter blending in with the redness of SRS. One for drinking in the bath - or paddling pool, depending.	7.8	4
New Vintage Stockmoor Farm Blend Blended Dry Cider	A delightful single orchard blend produced with bittersweet apples we bought from Stockoor Farm in Herefordshire. A savoury aroma, spiced with raisins, leads into a light and gentle cider with subtle dancing apple flavours dancing across the tongue.	6.5	30
Major Single Variety Dry Cider	We fermented this cider in an peaty oak cask for six months and then matured in a neutral container. For this batch of Major, we blended in a small fraction of Gilly and Sweet Coppin to expand the flavour.	8.4	12
Dabinett Single Variety Dry Cider	A blend of two unique oak fermented barrels, one influenced by American oak and the other by Scotland. A satisfying, scrumptious and splendid cider that we would always expect from Dabinett.	8.4	40
Ball's Bittersweet Single Variety Dry Cider	A blend of two unique oak fermented barrels of Ball's Bittersweet. The cider is mature and complex, filled with rich tannins and has a gorgeous soft texture, as a result of malolactic fermentation.	7.7	30
Ashton Bitter Single Variety Dry Cider	Ashton Bitter is totally unique as an apple. Characterised by strong, powerful tannins, when it is really good, Ashton Bitter has a mid-palate minerality and fruitiness that sets it apart. A very interesting variety.	7.0	13
